Jonathan Nedbor is the Demonstrator

A full time blacksmith for over 30 years, Jonathan is a popular teacher and demonstrator, able to share his insights into the forging process. He specializes in historic forged ironwork focusing on early hardware of New York's Hudson Valley. Much of his work is used on historic houses and museums, many of which are listed on the National Register. He also designs and produces contemporary furniture and household ironwork.

Jonathan's classes and demonstrations seek to communicate the beauty and simplicity of a pure forged approach to shaping iron. He covers tool making, forge welding, scrolls, approaches to authentic reproduction of historic hardware and more.

There will be Iron-In-The-Hat, a special auction, and tailgate sales. We will have Norm Larson's and Skipjack Press books for sale.
